ACCREDITATION CHARGES

BASIC CHARGES

The EETS Provider shall pay a basic charge for Accreditation to the account of the Toll Collection Administrator upon an invoice being issued by the Toll Collection Administrator after the conclusion of the Future EETS Contract, within fourteen (14) calendar days from the invoice date.

The basic charge for Accreditation includes two (2) components, one fixed, and one variable. The amount of the variable component is based on the number of types/factory brands of On-Board Equipment (OBE), the suitability for use of which shall be assessed in the EETS Domain in the Slovak Republic.

Charge	Measurement unit	Amount without VAT
Charge for the EETS Provider Accreditation	1	100,000.00 EUR
Charge for the suitability for use assessment per 1 OBE type/brand	1 type of OBE	32,000.00 EUR

SUPPLEMENTS

The EETS Provider shall pay the supplements to the Accreditation charge provided that a certain stage of the Accreditation procedure was unsuccessful due to reasons on the part of the EETS Provider and it is necessary to repeat that step to complete the Accreditation procedure.

If the implementation of the Accreditation procedure has caused extra work on the part of the Toll Collection Administrator due to reasons on the part of the EETS Provider (e.g., raising the need to change the ETC system), the Toll Collection Administrator shall invoice the EETS Provider for the additional costs associated therewith with a surcharge of 15% to cover the Toll Collection Administrator's expenses for securing, managing, and coordinating the extra work.

The EETS Provider shall pay the supplement to the Accreditation charge to the account of the Toll Collection Administrator within fourteen (14) calendar days from the invoice date.
